"Think about it Back on Earth, nature never got around to inventing the wheel. I've sometimes wondered why not There are limitations, of course, but it's such a good idea. Just look what we've done with it But all motion hi nature is confined to up and down, back and forth, in and out, or squeeze and relax. Nothing on Earth goes round and round, unless we built it. Think about it". "I just want to point out that instead of an expedition, we are now a colony. Not in the usual sense of planning to stay here forever, but all our planning will have to be geared to that fiction. What we're faced with is not a simple matter of stretching supplies until rescue comes. Stopgap measures are not likely to do us much good. Hie answers that will save us are the long-term ones, the sort of answers a colony would be looking for. About two years from now we're going to have to be in a position to survive with some sort of lifestyle that could support us forever. We'll have to fit into this environment. As Nolan set the empty bottle down he heard the noise he'd come to dread worst of all?the endless. 164.now; his head was throbbing with weariness.. The list went on and on, all the way back to Thursday, the 7th. On that day was another. The door had a heavy-duty bolt that couldn't be fastened or unfastened from the outside. The window beside the door didn't open at all and wasn't intended to. The bathroom and kitchen windows cranked out and were tall and skinny, about twenty-four by six. The other living room window, opposite the door, slid upward. The iron bars bolted to the frame were so rusted I doubted if they could be removed without ripping out the whole window. It appeared Andrew Detweiler had another perfect alibi after all? along with the rest of the world., And that's why I sold her, To Lucius McGonaghal Sloe.. Then the picture changed, and he was looking down a familiar, seaside, cobbled street, wet with rain. A storm had just ended and the clouds were breaking apart.
