I asked..At that the Summoner ran up towards her, reaching out, lunging at her as if to seize and hold her. They were both on the hill now. She towered above him impossibly, fire breaking forth between them, a flare of red flame in the dusk air, a gleam of red-gold scales, of vast wings - then that was gone, and there was nothing there but the woman standing on the hill path and the tall man bowing down before her, bowing slowly down to earth, and lying on it.."But you do have a talent.."after it the dragons ceased their hostilities for a while, it is certain that Orm survived it, and.Where he went then, the songs don't tell. They say only that he wandered, "he wandered long from land to land." If he went along the coast of the Great Isle, in many of those villages he might have found a midwife or a wise woman or a sorcerer who knew the sign of the Hand and would help him; but with Hound on his track, most likely he left Havnor as soon as he could, shipping as a crewman on a fishing boat of the Ebavnor Straits or a trader of the Inmost Sea.."Don't come near me!". "To Roke?" She stared. "To Roke, Di? Then you really do have the gift --you could be a sorcerer?".Veil, with her gentle voice and smile, was implacable. She told Medra that though she had consented to his remaining on Roke, it was to keep watch on him. "You broke through our defenses once," she said. "All that you say of yourself may be true, and may not. What can you tell me that would make me trust you?". "Nobody loves a sorcerer," said the Archmage. "Well, Irioth! Did I come all this way for you in." All right. I wanted to ask you more about various things. About the big things, the most.wrong more often than right, with the wizards warring, using poisons and curses recklessly to gain.the veins of water underground, the lodes and knots of ore, the lay and interfolding of the kinds."Get back, you black-hearted bitch!" she yelled. "Home, you crawling traitor!" And the dogs fell."I swear that. . ." "So you put a spell on yourself," she said, "just as that wizard put one on you. A spell to keep you safe. To keep you with the mule-breeders, and the nut-pickers, and these." She struck the ledger full of lists of names and figures, a flicking, dismissive tap. "A spell of silence," she said..dying, and went on..with women. What did she and the bagman.would be sure to reach Ark before the Long Dance..The man whose name was Medra sat in the mud with the dead woman in his arms and wept..When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the tune would come as part of the name, and he would sing out so clearly-- for his voice had re-established itself as a strong, dark tenor -- that Hemlock winced. Hemlock's was a very silent house..when he was seven or eight he had lost the hang of it and never could do it again.."Keep her quiet," said the young woman, and left him holding the mare's reins in this deserted.This speech, innate to dragons, can be learned by human beings. Some few people are born with an untaught knowledge of at least some words of the Language of the Making. The teaching of it is the heart of the teaching of magic.
