"On what did you base your analysis of the situational display, Sergeant?" Sirocco asked, speaking in a clipped, high-pitched voice mimicking the formal tones of Colonel Wesserman, who was General Portney's aide. He injected a note of suspicion and accusation into the voice. "Was Corporal Swley instrumental in the formulation of your tactical evaluation?" The question was bound to arise; the image analysis routines run at Brigade would have yielded nothing to justify the attack. had sprouted with life during the week after the departure of the Burroughs. When the ship finally did show up, it was no longer a NASA ship. It was sponsored by the fledgling International Space Agency. Its crew came from all over Earth. Its drive was new, too, and a lot better than the old one. As usual, war had given research a kick in the pants. Its mission was to take up the Martian exploration where the first expedition had left off and, incidentally, to recover the remains of the twenty Americans for return to Earth. the record I'd like to cite a few pertinent facts. 180 Lee Killough. of the ultimate in computer games . . .
